## Ardo Sliced Mixed Peppers

Short Product Name:  
Mixed Peppers

Quick frozen sliced peppers are prepared from the species *Capsicum annuum* by an appropriate freezing process to give free flowing pepper slices. The process should ensure stability of colour and flavour and the product temperature should not be warmer than -18OC. This specification refers to slices, which are nominally 6-8mm. The thickness will depend on the thickness of the pericarp. The pepper slices should be inspected and metal detected prior to shipment to remove foreign matter.
