ManiLife Deep Roast Smooth Peanut Butter 900g

Short Product Name:

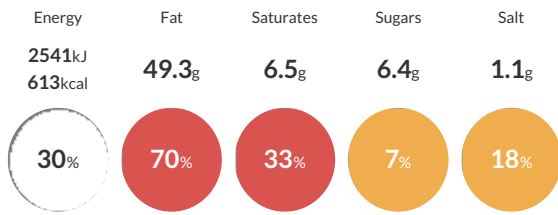

ManiLife Deep Roast Smooth Peanut Butter 900g

A deeper, darker roast, paired with the ultimate in a thick and creamy texture, mouth-watering, creamy peanut butter. Prepare yourself for peanut butter paradise. Our peanuts are bought from a farm we know and love in Argentina, recognised for being the tastiest peanuts in the world, due to their natural sweetness, and some of the healthiest for their hi-oleic content. We craft roast the peanuts in batches, so each type of our peanut butter has a deeper, more satisfying flavour. We add just a pinch of sea salt before whizzing the nuts into spreadable magic. The taste is out of this world, naturally. We don't need to add anything else.
